

Lodz University of Technology
Institute of Electrical Power Engineering

Call for Papers

23rd Young Energy Economists and Engineers Seminar
(YEEES) 26-27 October 2017
Lodz, Poland

YEEES

- The Young Energy Economists and Engineers Seminar is held twice a year to discuss working papers of doctoral students and early career researchers.
- It gives people the opportunity to **present their work** in progress and **receive feedback** from their peers in a **friendly and constructive atmosphere**.
- Format of the seminar:
 - We reserve a **full hour** for each paper
 - Papers are presented in a maximum of 20 minutes
 - **Two discussants** (1 participant and 1 senior researcher) will review each paper (10-15 minutes each) to guide the discussion
 - General discussion with the audience

ŁÓDŹ

Lodz, the former textile industry empire, today is a city of modern technologies, creative enterprises and grand events.

The city is known for its National Film School, unique industrial buildings adapted to their new functions and one of the longest commercial street in Europe that makes an amazing spot for evening meetings.

Lodz University of Technology is waiting to show you everything!

TRIP TO THE POLISH TSO

On the second day of the Seminar, we are planning a trip to the Polish Transmission System Operator to Warsaw.

You will have a unique opportunity to see a power system control center.

For the trip, we will provide the transport to Warsaw and back to Lodz.

SAVE THE DATE!

- Abstract submission: 1 September 2017
- Full paper submission: 26 September 2017
- Registration: 12 October 2017

For abstract submission, go to: <https://goo.gl/forms/lxIAUOsvEXhnR2BI2>
